Helping you help the community

We recognise the positive role not-for-profit organisations such as clubs, groups and charities play in their local communities. They provide people with a sense of belonging, places where individuals come together to share common interests and often help others.

Helping not-for-profit organisations with their fundraising is at the heart of who we are and that's why our Community Reward Account can help them raise vital funds without relying totally on cash donations and other fundraisers.

Organisations, members, family and friends will benefit in opening a Community Reward Account.

The account is an everyday, at call savings account with:

- A competitive interest rate
- No monthly account keeping fees
- Access to funds 24/7 access over the phone or internet

Plus an annual 'community bonus' payment to the club, group or charity of your choice.

How It Works

When you open a Community Reward Account, you nominate a participating not-for-profit group from our list of eligible organisations.

Any not-for-profit organisation, big or small, is able to participate in the Community Reward program. This may include charities, local sporting clubs, schools and local community groups.

If an organisation you are passionate about is not on our list, encourage them to talk to us so they also can begin benefiting from being a recipient of our annual 'community bonus' payment.

Each year on the 30th June we'll calculate the average annual balance in all Community Reward Accounts linked to that organisation and based on this balance we'll donate the equivalent of up to 1.5%.

WHAT MEMBERS AND SUPPORTERS CAN DO TO HELP?

By opening and encouraging other club members, family and friends to open a Community Reward Account you'll earn an attractive rate of interest on your deposits, and at the same time you'll be helping your nominated group receive a 'community bonus' payment. All you need to do is let our staff know which organisation you wish to support from our list of participating groups when you open your account.
